PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following.

From the Suptg Engrs. IV circle, No 208 W d/ 12th April 1897
Endorsement thereon by the Presidency Port Officer, No. $\frac{1763}{72}$ P.W d/ 28th April 1897
No 1966 Wg 21-4-97

Recorded with the

following remarks: —

(1) The submission of the estimate for a residence for the Post officer at Cochin, which is said to be under revision in the Executive Engineer's Office should be expedited.

(2) The question whether a new ~~building~~ residence should be constructed for the Port Officer at Mangalore, or whether the building recommended by the Presidency Port Officer should be purchased is under consideration.

(3) Items 9 & 10 of Part I of the preliminary issue of the Excluded Local Fund Budget being ^{one and} the same work, the former item has been expunged from the final budget. The Suptg Engrs will lose no time

in submitting the plans and estimates for a screw pile pier at Mangalore called for in 816W dated 20th March 1897.

(4) Items 1 and 2 of Part II of the preliminary budget being unnecessary, have been expunged from the final budget.

(5) The Suptg Engr will arrange to furnish the Presidency Port Officer as early as possible with a plan of the proposed beacons to mark the Coote reef at Calicut.

(6) The submission of the estimates for two groynes and a sea wall at Ponani called for in G.O. No 1322W dated 19th May 1897 should be expedited

(7) The estimate for a landing stage at Malpe promised by the Collector of South Canara is awaited

10/7/97

On May

To The S. E. IV circle Marine Dept 22/7/97

Public Works (1897) Department.

No. 1763 P.W. 72

Forwarded to the Chief Engineer to Government, Public Works Department, observing as follows:-

Part I.

Item 4. Estimate for a residence for the Port Officer, Cochin, was called for in G.O. No. 2367, W, dated 17th of August 1896, but has not yet been sent to this office by the Superintending Engineer, IVth Circle. Put up with Marine No 1224 on 11-11-96 938W 2.4.97

584W 17.2.96

Item 5. This office recommended to Government (on 5th February 1897) the acquisition of the property alluded to in G.O. Marine, No. 28 of 22nd January 1896, as a residence for the Port Officer, Mangalore.

The necessary alterations have been carried out at Cochin in the final budget

Items 9 & 10. These, it has been pointed out to Government, refer to the same work, but the proposals for a pontoon pier for Mangalore have been rejected by Government and an estimate for a screw pile pier called for; (vide G.O. Marine, No 308 dated 30th March 1897.)

Part II. (Minor Works.)

Item 1. Government have been informed (on 5th April '97) that this item (construction of quarters for light-keepers at Calicut) may be expunged from the Budget as the work is not considered necessary at present.

Item 2. Do. Do. Do. Do.

Item 4. (Constructing beacons to mark the Coote Reef, Calicut) Intimation was received from the Ex-Engineer in July last that a plan will be furnished as soon as the sea moderates to allow of an inspection of the rock at the proposed site of the beacon. "Coolu" is a misprint for "Coote"

Will be attended to

Item 5. (Two rough stone groynes for Ponani port.) The Port Officer, Cochin, having recommended this work as very necessary to prevent further erosion of the sea at Ponani, Government were asked (on 14th April 1897) to call for the necessary estimate.

1292C 83.97 put up with Marine No 342/97

Item 6. (Refers to a proposed sea-wall for the of Ponani) The remarks against Item 5 apply to also.

Item 7. (A landing stage for Malpe.) The Collector of South Canara has promised an estimate for this work, which is awaited.

Presy: Port Office,
Madras, 28th April, 1897.

H. A. Theet
Commdr: R.I.M.,
Presidency Port Officer.

Executive Engineer's Office
Calicut 29th March 1897

No 183 52

From

C. W. Wood Esq.
Executive Engineer
West Coast D^u

70

The Superintending Engr.
4th Circle.

Sir,

With reference to your
no 106 of 17th March 1897, com-
-municating Copy of Local
Fund Budget Estimates for
1897-98. I have the honor to
make the following remarks:-

Suptg. Engineer's Remarks Excluded Local Funds, Civil Works.

Part I

✓ Item #. Estimate is under revision
Item 5. An estimate has been
 submitted but returned for
 revision and resubmitted with
 no 141 S2 dated 5th March 1897.
 The question of purchasing a
 bungalow

sanctioned by Govt.; & re

Brugalon has been reopened.

Items 9 and 10. I imagine that these two items refer to the same work. I have not been called upon for an estimate but only to report a proposal made by the Collector of South Canada.

Part II

Excluded Local Port Fund.

Item I An estimate for \$2300 was submitted with this office no 2299 of 6-7-93. I presume Mr Ashpitel is responsible for this.

Item 2. I presume Mr Ashpitel is responsible for this.

Item 4. Under Consideration. The name of the Reef is Cooke and not Coolu.

Item 5. Groynes are I think unnecessary.

Item 6. I think that this refers to Ponany. If so the Collector will be addressed on the subject.

Yes. This work is not required. The Engineer has been quite recently directed to submit an estimate for screw piles.

Necessary alteration has been made in the final budget.

Estimate forwarded to the Presidency Port Office with this office no 2276 dated 11-7-93

Items 1 & 2

The Presidency Port Office having reported that these works are unnecessary they have been expunged. They do not appear in the final budget.

Noted. The necessary correction has been made in the final budget. Not necessary.

Do not know what it refers to

Nothing about this. Item 7. No information in this office of any proposal.

I have the honor to

Sir

Yours most obedt Servt

(Signed) C.W. Wood

Executive Engineer

No 228 of 12th April 1897

Copy forwarded to the Chief Engineer P.M.D. (through the Presidency Port Office) for favor of orders with marginal remarks of the undersigned.

Superintending Engineer

The endorsement by the Presidency Port Office may be referred to the Mr. for further report.
