I have the honour to enclose an estimate, amounting to Rs. 450, for constructing a lean to shed for carriages at "Mount Stuart" at this station, and to request that you will be so good as to obtain the sanction of Government to the work being carried out.

Note for His Excellency the Governor

With reference to His Excellency's rescript dated 7th instant, it is submitted that the proper procedure is for the Military authorities to first obtain the sanction of the Govt. of India in the Military Dept. to the increased rent for the buildings on Mount Stuart. The rent is a charge against the Military estimates, and the Govt: of India, Military Dept., in para. 3 of its letter No. 1696 M.W. dated 11th June 1894 asked that all cases like this may be accompanied by a report from the Controller of Military Accounts. There will be no use in getting the sanction of the Govt: of India, P.W.D., to the commencement of the work, with reference to the restrictive orders, if the Military Dept: refuses to pay the increased rent: A draft G.O. is submitted for approval.
