JULY.

Withdrawals from the Treasury

Ordered that information in regard to the estimated reduction in — up to the 31st December 1897, by the postponement of works and repairs be wired to the Government of India and the officers of the department directed to restrict accordingly their — up to 31st December.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—again the following paper:—

Telegram from the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 19th June 1897, No. 106 A.G.

In reference to Public Works Department letter 128 A.G. of 7th November 1896 your Government is requested pending withdrawal this notice to restrict expenditure in all branches Public Works Department to postpone repairs where possible and to avoid commencement any new works without previous reference to Government of India. Please wire estimate what reduction withdrawals from treasury will result from this retrenchment up to 31st December.

READ—also the following papers:—

Telegram from the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 1st July 1897, No. 114 A.G.

Public Works Department number 106 A. M. 19th June—Restriction of expenditure. Information urgently required especially as regards Imperial expenditure.

Telegram from the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 16th July 1897, No. 133 A.G.

Public Works Department telegrams 106 and 114 A.G., dated 19th June and 1st July—Restriction of expenditure. Wire figures affecting Imperial grants by details of works.

Replies from the Superintending and Executive Engineers.

ORDER—No. 1986 W., dated 23rd July 1897.

In the telegram first read above the Government of India directed that, pending withdrawal of notice, expenditure in all branches of the Public Works Department should be restricted, that repairs where possible should be postponed, and that no new works should be commenced without previous reference to that Government. An estimate was also called for as to what reduction of withdrawals from the treasury would result from this retrenchment, up to 31st December next.

2. These orders were communicated to the department for information and guidance in G.O., No. 1712 W., dated 28th June 1897. In the subsequent telegram of the 16th July, the Government of India requested that the figures affecting Imperial grants should be wired by details of works.

3. The statement attached to these Proceedings has been compiled from information submitted by Executive and Superintending Engineers, and shows the reductions of withdrawals from the treasury, so far as can be gathered from the figures reported, which are not, in all cases, as clear as they might be.

4. The information will be wired to the Government of India in continuation of the preliminary reply forwarded on the 17th July 1897, and officers of the Department concerned will restrict accordingly their withdrawals from the treasury up to the 31st December.

(True Extract.)

Under Secretary to Government.

To the Chief Engineer for Irrigation.

Replies from the Suptg. Engineers and Executive Engineers

In the telegram first read above the Government of India directed that, pending withdrawal of notice, expenditure in all branches of the P. W. D. should be restricted, that repairs where possible should be postponed, and that no new works should be commenced without previous reference to that Government. An estimate was also called for as to what reduction of withdrawals from the treasury would result from this retrenchment up to 31st December next.

2. These orders were communicated to the Department for information and guidance in G. O. 1712 W. dated 28th June 1897. In the subsequent telegram of the 16th July, the Govt. of India requested that the figures affecting Imperial grants should be wired by details of works.

3. The statement attached to these

Proceedings

[P. W. 40. 1,000—26-2-97.]

Proceedings has been compiled from information submitted by Executive and Suptg. Engineers, and shows the reductions of withdrawals from the treasury, so far as can be gathered from the figures reported, which are not, in all cases, as clear as they might be.

4. The information will be wired to the Govt. of India in continuation of the preliminary reply forwarded on the 17th July 1897, and officers of the Department concerned will restrict accordingly their withdrawals from the treasury up to the 31st December next.

5th July/87.

My dear Colonel Campbell.

With reference to your telegram, I have gone most carefully into the funds at my disposal, and find it impossible to relinquish anything.

I wish to ask first about Government House works both Guindy and Madras

(a) Upper storey to the Mully in Secretary's bungalow - Guindy.

This must not be stopped - I take it, otherwise, the Private Secretary and A.D.C's will have no quarters - moreover the whole place is unroofed, & all material is collected & a great deal done.

(b) The annual repair estimates I have most carefully gone into. I would wish to know if the interior whitewashing may be

postponed, the interior cannot be in my opinion - the work has been & is flaking off everywhere

Both houses require a deal of repair & cleaning up.

(c) I have made out Estimates for certain works which H.E. personally asked me to attend to, the Estimates for these are ready and are now being submitted.

(d) To the removal of the Gates (Estimate Rs 1540) to be relinquished - I do not think it can be, for the work is started.

The Museum.

I am awaiting photos by the Madras Survey Department of the cracks in Tower piers to go in with report of Tower, but in the meantime I am preparing an Estimate for rebuilding the dismantled bays, & for repairing the drains, this must be done before the rains - otherwise the damages will be great. Some 5,000 Rs will be required.

The Hospitals.

These Estimates I have personally cut down to simply

Code Class.

Public

ary, cleaning, & absolutely necessary repairs:-

Would you wish me to postpone these? The Medicals will oppose this strongly I feel sure

Shortly this is my position

My present repair Grant is as notified (see my No 689 dated 14th June 1897.) Rs 48320.

Sanctioned against this & works completed " 38730

Leaving Rs 9590

This is to meet Repairs to both Government Houses, all Hospitals, Penitentiary - Pumping station Secretariat offices. Churches Conservancy Establishments and about Rs 10,000 for outstanding for those Contractors not paid last year.

You may rely on me for Curtailing all expenditure possible & I am looking into every item. more than this cannot be done

Yours truly

Chs Harvard

Office of the Consulting Architect to Govt.,
Chepauk, Madras,
3rd July 1897.

No. 891

From G. S. J. Harris Esq
~~Henry Irwin, Esq., C.I.E.,~~
Consulting Architect
to the Government of Madras,

To
The Chief Engineer
P. W. Department
Madras

Sir,

With reference to para 2 of G.O No 1712 dated 28th June 1897. I have the honour to state that so far as this Division is concerned no Surrenders can be offered while on the other hand it seems imperative that the grant for Provincial Civil works Repairs must be augmented by at-least Rs 30,000.

I have the honor to be,
Sir,
Your most obedient Servant,
G. S. Harris
Consulting Architect to Govt.
