REVENUE DEPARTMENT.

READ—the following Memorandum of the Public Works Department, No. 308-D., dated 22nd May 1897:—

There seems to be at present a certain amount of friction between the Revenue and Public Works Departments in the famine districts, and from demy-officials and other communications I have received from officers of this department employed on famine I have come to the conclusion that G.O., No. 962, Revenue, dated 14th October 1891, has been ignored by the Collectors of famine districts. I therefore think it advisable that an order should issue calling their attention to it.

ORDER—No. 526, Revenue, dated 3rd July 1897.

Miscellaneous.

The Famine Commissioner will be requested to draw the attention of Collectors to the order referred to.
