READ—the following papers :—

From J. K. BATTEN, Esq., President, District Board, Trichinopoly, to the Secretary to Government, Local and Municipal Department, dated 28th January 1897, R.C. No. 768 of 1896.

I have the honour to state that owing to the recent removal of the Taluk office at Jayankondasolapuram to a new building, the old one has become vacant. The taluk board of Ariyalur requests that a portion of this building be given to it free of rent for locating the following institutions :—

- (a) Board's girls' school at Jayankondasolapuram.
- (b) Office of the Jayankondasolapuram Union Panchayat.
- (c) Taluk board's dispensary.

The board undertakes to keep the portion allotted to it in a proper state of repair and to give it back whenever required by Government.

2. The following Government officers also require each a portion of the building in question :—

- (1) The Superintendent of Post offices, Trichinopoly division, for locating the Post office.
- (2) The District Forest-officer for locating the Forest Range office.
- (3) The Inspector-General of Registration for extending Sub-Registrar's office.

There is already a Sub-Registrar's office built in 1884, but it is reported to be insufficient for present requirements.

3. Mr. Andrew considered that the building in question might be allotted to the above departments, including the taluk board, as shown in the enclosed sketch. I consulted the District Medical and Sanitary officer as to whether he approved of the site proposed for the dispensary. He recommends after personal inspection that the dispensary be located in the site marked E E and F in the sketch instead of in C C C C, where the girls' school may be located. I agree with him as the dispensary should be in a separate building. If my proposal is adopted, it will not be possible to allot any portion for the Sub-Registrar's office. As there is plenty of space the Sub-Registrar's office may be extended by building.

My proposals are, therefore, to allot—

- (1) The portions marked B B, C C C C C, E E and F, together with the kitchen and the well in the compound, to the taluk board ;
- (2) A A A, to the Postal Department ; and
- (3) D D, to the Forest Department.

4. Mr. Andrew considered that the taluk board might be made responsible to Government for the whole building, the several Government officers remaining responsible to the taluk board for the portions allotted to them. I, however, consider that it will be simpler for each department to be made directly responsible to Government for the portion allotted to it.

5. Connected with the above scheme, is the proposal to transfer the Local Fund dispensary now located in a rented building at Udaiyarpalaiyam to Jayankondasolapuram. There is no suitable building for the purpose at Jayankondasolapuram other than the one proposed above. The taluk board has at present no funds for building a dispensary of its own. If, therefore, Government is pleased to pass favourable orders on the above proposals, I request that sanction be accorded for transferring the dispensary. The following are the advantages of the transfer :—

- (1) Jayankondasolapuram being the head-quarters of the Tahsildar, the hospital assistant will be more under control than at present.
- (2) He can also have immediate information of the outbreak of cholera and other epidemics and will thus be able to give prompter aid.
- (3) The dispensary will be of more use at Jayankondasolapuram than at Udaiyarpalaiyam.

Mr. Andrew was in favour of the transfer, and the District Medical and Sanitary officer is of the same opinion. If the transfer is sanctioned, I request that the list of dispensaries carrying charge allowances be amended accordingly. I have communicated a copy of this letter to the Surgeon-General so as to enable him to offer his remarks, if any, on the proposed transfer.

6. I enclose copies of the taluk board's resolutions on the subject. It will be seen that the taluk board has approved of the transfer, and is anxious to take over portion of the old Taluk cutcherry building.

Office-note to the Examiner, Public Works Accounts, dated Madras, 4th March 1897, No. 1241 C.

For favour of report whether you see any objection to the proposals in paragraphs 3 and 4 of the President's letter. The matter has resolved itself into a proposal to grant the taluk board rent-free accommodation in a public building, the board being responsible for the upkeep of the portion allotted to it.

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Secretary to Government.

Office-note from the Examiner, Public Works Accounts, dated Madras, 18th March 1897, No. 132 C.

Where so many departments occupy the building, it does not seem desirable that they should be severally responsible for the upkeep of parts, and much inconvenience would undoubtedly arise. It would be preferable to let the building remain in charge of the Public Works Department, and to charge rent to the taluk board for the portion occupied by them.

No. 2046 C.

Referred to the Local and Municipal Department for favour of report as to whether the taluk board would be willing to pay rent for the portion of the building required by it, the repairs being carried out by the Public Works Department. As observed by the Examiner, to make a number of departments severally responsible for the repair of different parts of the building would be an inconvenient arrangement.
