From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 23rd February 1897, No. 1911.

With reference to G.O., No. 87, Educational, dated 11th instant, I have the honour to point out that there are two grades of examination under Type-writing, namely, the Elementary and the Intermediate. The Elementary is too low a test for the posts of type-writer clerks in Government offices, and I would suggest that the notification be amended by the addition of the word "Intermediate."

ORDER—No. 366, Educational, dated 1st July 1897.

The Government is unable to accept in its entirety the recommendation of the Director of Public Instruction that type-writing clerks in Government offices should be required to pass the Intermediate examination in that subject. Candidates entering the service as type-writers on pay less than Rs. 20 *per mensem* will for the present be required to have passed the Elementary examination only, and clause (13) of article 4 of the Public Service Notification will accordingly be altered as follows :—

"Candidates for the post of type-writing clerk are required to have passed the Elementary examination in Type-writing if the pay of the post is less than Rs. 20 *per mensem*, and the Intermediate examination if the pay is Rs. 20 or upwards.
