OFFICE OF THE CONSULTING ARCHITECT

TO THE GOVERNMENT OF MADRAS,

Chepak, 15th July 1897.

No. 1036.

Copy of a communication from the General Secretary

Y. M. C. Association to the Consulting Architect

to Government, No. dated 15th July 1897.

I have the honour in behalf of the Building Committee of the Young Men's Christian Association, to request that the bricks required for the new building of the Association be supplied at stock rates.

As you are aware the work of this Association is carried on in the interests of all classes of young men in Madras purely for the benefit of the public. Educational classes in technical subjects have for some years been conducted under the inspection of the Director of Public Instruction and a very considerable increase is proposed in this Deptt. when the new building is completed. At the request of Govt., the building is to be made more ornamental, in keeping with the Government building in the vicinity thus involving an increased expenditure. We are, therefore, finding it necessary to economize in every possible way in the carrying out of our plan. In view of these considerations, I trust the reduced rate

2. It is within the power of
Government to reduce the percentage ^{even}
to ^{wave?} waive its claim altogether in accounts
of supervision. For reasons brought to
notice by the General Secretary I would
recommend that the supply be authorized
at stock rates plus 10 percent in accounts
of supervision.
