From The Sub Divisional Office, Tiruwallur

To the Executive Engineer, Chengkut Division

Sir,

In returning herewith your No. $\frac{845}{15.6.97}$
regarding the old Barracks at Tirupassur,
I have the honour to submit the following
report.

2. The rooms lately occupied by Mr. Preston will become vacant on the 1st or 2^d. Proximo when all his people are going away. The old walls, &c. attached have been sold by his executors and are now being pulled down. After these have been removed (about a month hence) the Government portion may be sold and demolished.

3. Mr. Cox is still sick in Barras. He will give up his house in Limbasur very shortly. His wife is now applying for permission to sell all the old walls, kitchen trees &c. that are his private property. After these are sold and removed, the old Barracks will also be sold and demolished if so ordered.

4. Then there remain three old widows
who occupy portions of the barracks named

and have no other places to go to. I beg to recommend that these be allowed to remain a little longer.

5. The portions of the barracks occupied by the three widows, are not in immediate danger of collapse. I examined them last night with Mr. Lord, and think they may be allowed to stand. The inmates may be warned in writing that their further occupancy of the buildings is at their own risk.

In continuation of my No. 202A dated 24th June 1897, I have the honour to forward herewith a report on the old Trupasam barracks sent by the Executive Engineer Chingleput with his No. 1006 dated 1st July 1897.

2. I request that you will approve of the demolition and sale of the materials of the buildings occupied by the late Mr. Preston and by Mr. Cox.

3. As regards the quarters occupied by the three widows, I recommend that they be allowed to be occupied on the condition

named

named. The barracks should invariably
be examined by the Executive Engineer every
year and if any of these quarters are found
to be unsafe, the inmates must be ordered
out at once.
