SUBJECT.

List of subordinate appointments made by the Executive Engineer, Bellary Division for the week ending 3rd July 1897.

W
in order whether
in all cases of this kind,
the lists should be
returned to the I. S.
if they are not counter-
signed by the Collector.
A short time ago,
the I. S. reported that
the Collector of Bellary
did not wish to see
such lists, & since
then those from the
Bellary division have
been received without
the Collector's counter-
signature -
The G.O. on the
subject states that
the Collector's approval
is required to the
scale, & not to the
personnel of the sub-
ordinate establs. engaged
on famine. The lists

apparently contain the
names of men appointed
in place of others who
have resigned, been dis-
missed &c, & they there-
fore refer to personnel
of not to scale.

A similar letter was sent to Prof. a short time back, with a draft \$50., asking the S. G. to submit some proposition statements of ~~the~~ all temporary. estate employed on account of famine. If these statements come in, you sanctioned, there will be no necessity to report any objections made against the scale.
