To THE Chief Engineer,
Public Works Department.

Sir,

Enclosures.

I have the honour to request that you will be good enough to obtain the sanction of Government under para 178 chapter III volume II of Government of India Code to the outlay incurred in the Bellary Division on account of contingent charges which exceeds the total limit of ~~Rs~~ 500/.

2. The contingent bill for May 1897 amounts to ~~Rs~~ 1074-9-5 and the details given in the margin will show the different sub heads of account under which the charges are heavy. These

× Service Stamps — ~~Rs~~ A P 575-0-0
Telegrams — 110-0-0
Tappal Cooly — 153-0-0
~~Rs~~ 838-0-0

These charges were incurred on account of famine and are, I believe, unavoidable.

3. As the contingent charge of the Division may exceed the total limit of ~~Rs~~ 500/. for some months to come I request that a general sanction may be obtained for this inordinate outlay as long as the famine exists.

I have the honour to be,
Sir,
Your most obedient Servant.

Your O.N.No.3170 C.dated 13th.July 1897.

I think it is the intention of the rule (Code II. III. 178)that a separate sanction should be required in the case of each Divisional Contingent bill the amount of which exceeds 500. This also seems desirable on other grounds,and I would not recommend a general sanction such as that asked for. At the outside the sanction could only be asked for once a month.
