Copy of a letter No. 2304-B

dated 14th June 1897
from The C. O. C. Southern District
to The S. H. C. Otago Museum.

I have the honor to request that the Telephone instrument which is now at Fern-wood where Brig. Gen. Prendergast lived may be moved to my present residence the Highlands which is quite close. I have never lived at Fernwood, and as far as I can ascertain it is not to let, and is in a bad state of repair, my intention is to stay on at the Highlands if possible. There is no other suitable house available for me at present.

2. I would point out that my Staff officer resides and has his office at Wellington a distance over 3 miles from my house. In the event of anything urgent or a matter requiring immediate attention a foot messenger (sometimes not available) has to be sent over a very hilly road, thereby causing a considerable delay.

3. Much delay and inconvenience is also experienced in conducting the work of the District Staff Office, which would be

be almost entirely obviated by the use of this telephone.
