NOTE BY TECHNICAL SECTION.

Name of work. Converting the old Police Hospital into a Sub-Registrar Office at Trunksoyilur, South Arcot Dist.
Amount of Estimate Rs 1640.

The accompanying estimate, amounting to Rs 1640, has been framed with reference to G.O. No. 3666 W dated 19 Decr 1896 and provides for converting the Police Hospital building at Trunksoyilur into a Sub-Registrar Office.

An estimate, amounting to Rs 3444, was originally sanctioned in G.O. No. 308 W dated 7 Feb 1895 for constructing a new Sub Registrar Office on the type design, since then it is reported that no suitable site for the new building was selected. The S.G. of Registration proposed the transfer of the Police Hospital building on the abolition of the hospital at Trunksoyilur.

The estimate provides for adding a room 20' x 15' for records in rear of

of the existing building at the suggestion of the S. G. of Registration & opening out a door & window as shown on plan.

The surface soil is reported to be hard loam 5 feet deep and the sub soil hard earth mixed with gravel.

The foundations for the extension will be laid with concrete & the basement & superstructure walls built with bricks in common plan, laid both interior & exterior. The floor will be of $\frac{1}{2}$ " asphalt laid over 4" concrete and the room roofed with flat & pan tiles laid over teak rafters.

Provision has also been made for reflooring the existing building with 6" sq. pressed tiles laid over a bed of 4" concrete and for dismounting existing walls at places where new door & windows come in.

The scantlings for roof timbers are correct and the eaves fair.

The estimate & plan have been countersigned by the S. G. of Registration and approved in the Judicial Dept.

21.7.97.

The area of the proposed second room is slightly smaller viz 63 feet than allowed in the type design for registration office.

Area provided $22 \times 12 = 264$
 $12 \times 6\frac{1}{2} = 99$
Sub. 363

Area proposed $15 \times 20 = 300$

Now the plan has been approved with by the S. G. of Reg. & the Judicial Dept.

Public Works (1897) Department.
