SIR,

I am directed to request the submission, at the earliest possible date of an estimate of the monthly recurring, and of the "initial" and "terminal" expenditure, debitable to the Military Department likely to be incurred in the Public Works Department in connection with the Tochi Field Force.

2. I am to explain that "initial" charges are those incurred in connection with the despatch of the expedition to the front, and "terminal" those in connection with its return. "Recurring" charges are those which go on during the whole period of the operations. There will probably be no expenditure in the Public Works Department falling under this latter head.

3. The estimate is meant to include all expenditure on account of the expedition, and all charges to be made to the Military Department for service rendered.

4. I am to request that a reply may be sent by telegram.

SIR,

Your most obedient Servant,

Ch. Richter

Offg. Deputy Secy. to the Govt. of India.
