

Public Works (1897) Department.

G.O., No. 2153 *N*

DATED 6th August 97

[Despatch Abstract.]

Establishment. Letter from the Suptg Engr.
~~IV Engr requesting certain information~~
~~in connection with the~~ for the prepa-
ration of famine relief estimates sanctioned
in Co. No. 1841 W of 8 July 1897 ^{is not necessary} comtd. to
the Revenue Department and the
Suptg Engr directed ^{work remarks} to report specially
on the large works on which famine
labour could be employed and pass on
the preparation of certain projects.

No 2155 W 36.8.97

It is a more serious matter for the former works, some need
that the appropriate estimates referred to by the Sup^t. Engineer would be useless, and ^{that} time & tax
would be lost, in bringing them to a point of practical utility. However, having, that the work
in contemplation are small matters, which are not those best suited for forming relief work
I will therefore not insist on the completion of the Estimates, and the Order may issue. But
Sup^t Engineer must be directed to report specially, and as soon as possible, on the larger &

SUBJECT.

2. The Suptg Engineer, IV Circle, will report specially, and as soon as possible, on the larger works on which famine labour could be employed. He should say whether or not a staff to investigate these works and prepare plans and estimates for them may be advisable.

3. The preparation of the Bhavani, the
Muttakshum & the Amravati projects should
be pressed on.
