To
The Secretary to the Government of Madras,
Public Works Department.

Calcutta, the 13th December 1897.

Sir,

With reference to correspondence ending with your letter No. 948 I., dated the 22nd October 1897, I am directed to say that in the opinion of the Government of India the estimate for the cost of the steam launch is properly chargeable to the Capital Account of the Kistna Delta System.

2. I am also to say, with reference to paragraph 3 of Chief Engineer's note, dated 11th October 1897, embodied in Madras Government Proceedings No. 947 I., dated 22nd idem, that, as the construction of the launch has been postponed, it is not necessary at present to sanction the estimate. If, however, the construction of the launch is found necessary hereafter, the estimate for the same may be sanctioned under the open canal Capital rules after the 31st March 1898, from which date the construction estimate of the project will be closed.

I have the honour to be,

Sir,

Your most obedient servant,

O. C. Lees

Under Secretary to the Government of India.
