Revenue.

The revised and budget estimates of receipts under Imperial Military Works for 1897-98 and 1898-99 respectively, as accepted by the Government of India in the resolution read above, have been adopted in the final issue of the budget.

Expenditure.

2. The revised estimate of charges for 1897-98, as shown in the preliminary budget, amounted to Rs. 90,445. The surrender of Rs. 8,715 from the grant for the new block of married quarters at Calicut, since reported to and accepted by the Government of India, reduced the estimate to Rs. 81,730. The Government of India having passed the estimate for Rs. 82,000 in round figures, the difference Rs. 270 has been added to the grants for the departmental heads noted in the margin. The additions made to the grants for "Original Works" and "Repairs" will be treated as reserve.

3. The budget estimate of expenditure for 1898-99, as distributed in the preliminary budget, having been approved by the Government of India, the same distribution has been adopted in the final budget. The modifications of grants ordered in paragraph 3 of G.O., No. 415 W., dated 19th February 1898, have not therefore been carried out.

4. The final grant for 1897-98 for the construction of a new block of married quarters for four families of the British Infantry at West Hill, Calicut, was Rs. 3,000 and a sum of Rs. 1,800 has been provided in the budget for 1898-99. A further grant of Rs. 7,000 is thus necessary to admit of the work being completed in the current official year, and Government of India will be requested to sanction an additional grant of Rs. 8,715 inclusive of the percentage charges.

5. The grant of Rs. 5,000 provided for minor works will, as usual, be placed at the disposal of His Excellency the Lieutenant-General Commanding the Forces, Madras, for distribution among the officers commanding divisions and districts, to whom Superintending Engineers will apply for funds required for incomplete and new works under that head. In the case of Ordnance and Commissariat minor works application for funds should be made to the Director-General of Military Works through the head of the department concerned.

6. Part II of the budget contains the distribution by divisions of the grant of Rs. 50,000 provided for repairs.

No. 1034 W., 25TH APRIL 1898.

7. With these remarks the final issue of the Imperial Military Works budget for 1898-99 will be printed and circulated to the officers concerned for information and guidance, and 90 copies will be forwarded to the Government of India, Military Department.
