RESOLUTION.—The revised and budget estimates of revenue and expenditure for 1897–98 and 1898–99, respectively, are passed by the Government of India for the amounts shown in the accompanying statement.

2. The final issues of the provincial and incorporated local public works budget estimates should be prepared for the amounts passed and fifty* copies despatched so as to reach the Government of India not later than the 1st May 1898.

* Fifteen copies to Simla and 35 to Calcutta.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, the Punjab and Burma.
The Chief Commissioners of the Central Provinces, Assam and Coorg.
The Agent to the Governor-General, Rajputana.

ORDER.—Ordered, that the foregoing be communicated to the Local Governments and Administrations, noted in the margin, for information and guidance.

Ordered, also, that copies be forwarded to the Finance Department and to the Accountant-General, Public Works Department, for information.

(Signed) A. R. BECHER,
Deputy Secretary to the Government of India.

ORDER—No. 1036 W., dated 25th April 1898.

Revenue.

The revised and budget estimates of revenue under Incorporated Local Civil Works for 1897–98 and 1898–99 were set down in the preliminary budget at Rs. 8,500 each, but the Government of India having reduced the amount to Rs. 8,000, the latter figure has been adopted in the final issue.

Expenditure.

2. The revised estimate of charges for 1897–98, as shown in the preliminary budget, amounted to Rs. 62,728. This amount was reduced to Rs. 58,610 by the modifications of grants subsequently sanctioned. The Government of India having fixed the estimate at Rs. 58,000, the difference Rs. 610 has been deducted from the grant for "Establishment."

3. The budget estimate of expenditure for 1898–99, as adopted in the preliminary budget, amounted to Rs. 39,180. As the Government of India has passed the estimate for Rs. 42,000, the grant for "Establishment" has been raised by Rs. 2,820.

4. With these remarks the final issue of the incorporated local fund budget estimate for 1898–99 will be printed and circulated to the officers concerned for information and guidance, and fifty copies as shown in the margin will be forwarded to the Government of India, Public Works Department.

15 copies to Simla.
