The incident for the
iron work for the
Jimpote water supply
was despatched by
mail of 24-3-98.

The covering letter
was ~~not~~ signed late
that evening, & the
packet was made
up very hurriedly
to catch the mail.

The despatcher was
not able to get
away the plans,
schedules & spec-
ifications that evening,
& he reserved them
for the following
morning, when duplicate
copies of the letter &
S.D. & the schedules
were forwarded
the telegram from
Horne is dated 16.4.98

I must have been
 lost on receipt of
 your mail of 24th
 inst. The mail
 of 30th inst. must
 have reached before
 this - It seems un-
 necessary to wire
 a reply to your
 letter, & a draft
 letter to D. G. of Govt.
 is submitted for
 approval.
