Copy of letter from the Executive Engineer,
Kistna Northern Division, to the Superin-
tending Engineer, Second Circle, No 21642,
dated 4-3-98.

With reference to your No. 566 R.N.
of 27-2-98. Calling upon me to explain
as to why building constructed for
the residence of Executive Engineer,
Kistna Chortson Division was not
occupied by Mr Keeling from 22-8-96
to 31-12-96, I have the honor to refer
you to para 4 of this office letter No.
425 L.G. of 21st 10/96 addressed to you by
Mr Keeling himself on the subject.

2. I have no other official information on the subject, but I believe that the District Surgeon expressed his opinion that the house was unhealthy owing to damp and that it was vacated in consequence.

The verandahs and bath rooms leaked during heavy rains and no doubt the house was very damp at such times.
