## PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, Madras, No. 3608, dated 28th March 1898:—

I have the honour to request that you will be good enough to obtain the sanction of Government for the preparation by the Public Works Department of a plan and an estimate for erecting a schoolhouse for the Government Girls' School, Palacole, in the Godavari District. It is a large upper Primary School, 101 strong, with the prospect of being raised to the lower secondary grade. The taluk board, Narasapur has sanctioned a suitable site for a building and it is expected that when the school is removed to the proposed site, which is central, the strength will be nearly double.
