Copy of letter No 5197 of 22nd February 1898, from A.H. Morris Esq. Exec. Engineer (Judda-pah) Dir. to the Suptg. Engineer in circle.

I have the honour to bring to your notice that Sub Overseer Mr. Mahadeva Moodeliat was specially mentioned for Famine Services in the qualification report submitted by me. His name was also sent up when nominations for temporary Overseers posts on Kohol were called for in your No 4491 of 4th November

1897.

2. As he has apparently not been selected for one of these posts, I have the honour to recommend that he granted his increment now, instead of in March 1899, when it would otherwise be due, as a reward for his services during the Famine of which I cannot speak too highly.
