Statement of Venkata Reddy
Ravi Reddy of Nandikothkur vil-
lage, before the Sahr of Nandi-
kothkur of 31.12.95.

We hold a patta in our name
for Survey No 470 of our village
measuring 3.3 acres & assessed at
Rs 4-9-0. The field contains many
go, tamarind & ^{other} fruit & other
trees. We planted & reared the trees
ourselves. We therefore consent
to give over the land for the con-
struction of the Taluk Butchery,
if the value of the trees be paid
to us & compensation granted for
the land at Rs 100 an acre. We
request that ^{the value of the trees & the land} ~~compensation~~ be
paid to us as we desire. We have
no objection to the construction
of the Taluk Butchery in this
field.

Statement of Nandur Venkata
Swami of Audibothur village
before the Dahr of Audibothur
31.12.95
836.12.95

I hold a patta in my name
for Survey No 467 of our village
measuring 2.80 acres & assessed at
Rs 4-3-0. This field contains
Tamarind & other fruit trees &
some other (ordinary) trees. All
these trees were planted & reared
by my father. The field is a garden.
I do not wish to receive com-
pensation & give over this land
for the Taluk Butcherry. But I
have no objection if the Govt take
the land under the Land Regu-
lation Act. I do not wish to
give over the land to Govt because
I intend to plant some more
trees & construct a bhatram
in it. It is Govt Patta land.

The first of the two
 is a small tree with
 a trunk about 10
 inches in diameter
 and a height of
 about 15 feet. It
 has a very rough
 bark and the leaves
 are small and
 pointed. The second
 is a larger tree
 with a trunk about
 20 inches in
 diameter and a
 height of about
 25 feet. It has a
 smooth bark and
 the leaves are
 larger and more
 rounded. Both trees
 are very common
 in the country.
