We employ, I observe, a large number of Temporary men, — more than 102. I beg the favt. if India likely to find fault with this? A.H 22.4.98

Sir,

I am directed by His Excellency the Governor in Council to request that the attention of the Government of India may be invited to the Circular of the Accountant General, Public Works Department, No. IV, dated 2nd March 1898, a copy of which has ben submitted by the Examiner, P.W. Accounts. It is therein stated that transit pay and travelling allowances are not ordinarily admissible to temporary employés, and should be passed only in special

special cases, when sanctioned by the Local Government.

2. I am to point out that in this Presidency, there is a large number of temporary upper subordinates who are employed to supplement the permanent establishment, at a considerable saving to Government, particularly as regards pensionary allowances. These men undergo a theoretical course of study and after a practical training which fully qualifies them to enter on the executive duties of the Department, obtain certificates or diplomas from the College of Engineering. They are sent to any part of the Presidency where their services may be needed and are constantly transferred from place to place as the exigencies of the service may require. To deprive these men of transit pay and travelling allowance for such journeys would, in the opinion of His Excellency the Governor in Council, be a great hardship, and would render it increasingly difficult to attract to the Department, the best men of their class. His Excellency the Governor in Council is not aware of the reasons which have induced the Government of India to authorise the promulgation of the present orders, and in the absence of any information on the subject is inclined to believe that His Excellency the Governor General in Council has not been fully informed in regard to the circumstances of the Madras Presidency. I am accordingly to request that the matter may now be placed before His Excellency in Council in view to a reconsideration of the orders in question.

I have &c.,

Note for His Excellency the Governor.

With reference to His Excellency's letter d/22.4.98 on the accompanying draft letter, it is submitted that the P.W. Dept is organized on the assumption that a large proportion of the men shall be on the Temporary Establishment, so as to admit of expansion or contraction, as the expenditure on works increases or decreases. This is distinctly provided for by the P.W. Code - para 109, Chap I, Sec I, to which His Excellency's attention is invited.

The Temporary Establishment comes under review every year and is altered to suit the requirements of the ensuing twelve months. R.B. Special Establishments for particular works are reviewed oftener, if necessary.

The draft letter is approved, and may be sent.

To

W.

Under existing orders, transit pay and travelling allowances of temporary employés are in certain cases and under certain conditions admitted in audit without sanction of Government, Vide G.O. No. 1812 W dated 23rd. July 1895; but it will be seen from the Accountant General's (P.W. Department) circular No. IV of 1898 (of which I enclose a copy) that I will no longer be able to admit such charges, as well as those falling under article 1191 C.S.R., if claimed by Temporary employes, without the special sanction of Government in each case.

2. With a view, therefore, to make this fact generally known, I would suggest that a copy of the Accountant General's (P.W. Department) circular under notice be printed as a G.O, and communicated as early as possible to officers of the Department for information and guidance in supersession of

G.O.

G.O.No.1812 W above referred to.

~~5. As Members of the "Works"~~ Establishment are governed by the same rules as members of the temporary establishment in regard to the grant of travelling allowances,(vide G.O.No.3187 W dated 7th.December 1893),it follows that the sanction of Government will be necessary to admit transit pay and travelling allowances in the case of that (Works) ~~Establishment also.~~
