To

The Chief Engineer
Public Works Department

Sir,

Enclosures.

not entered in D.W.D.

I have the honour to state that, pending the submission of the Revised plans & Estimate for the additions to the College of Engineering referred to in G.O. No 104, dated 23rd February 1897, Educational, and considering the present financial conditions, the Principal, requests that the present Library room of the College may be made available as a Lecture room by removing the central wall and spanning the extended room with rolled steel girders. As it is desirable that this work should be executed during the holidays in May next, I have prepared an Estimate amounting to Rs 1797 to be executed from the minor works grant at my disposal next Official year. In the meantime I have submitted an urgent

Indent

Indent for the three girders required through the General Superintendent Public Works Stores so that they be received in time for the work.

I have the honour to be
Sir
Your most Obedient Servant

Consulting Architect to Govt
