Sir
With reference to the accompanying copy of letter from the Examiner P. W. D. No. 524 A of 23-8-97 I have the honor to request that you will obtain orders of Govt. as to what pay should be allowed to men transferred from the Revenue Department for famine duty.

In the case of men who with the consent of the heads of offices in which they were employed, were appointed to fill special temporary posts sanctioned for famine, it is presumed

assurances that the rate of pay
fixed for the appointment under
the approval of the Collector, is admissible.

In other cases in which the men
were simply transferred for famine
duty, the question arises as to what
additional allowance if any, should
be paid.

3. The Collector Anantapur has
obtained the services of Mr. O.

Pattabhi Ramier Clerk in the
Sub Collectors office Coimbatore
on Rs 20 per mensem and has
directed that pay at Rs 20 per mensem
for the period he was doing duty
in the P. W. D. should be disbursed
to him. I am in doubt however,

whether this is in accordance with
the intentions of Government.

I have the honor to be
Sir
Your most obedient servant.

Your Office Note No.5400 C dated
11th.December 1897.

If any of the men transferred from the Revenue Department are employed in the Executive line, they ought, in my opinion, to be treated in the same manner as regards deputation allowance as the men transferred from the Salt and Abkari and Local Fund Department, and the sanction of the Government of India obtained to the grant of the allowance vide my Office Note No. 1071 A/E dated 14th. December 1897.

2. As regards the clerical establishment, there seems ^{to be} no objection to clerks of the Revenue Department being granted, with the approval of the Collector, the rates of pay sanctioned for the temporary famine appointments to which they may be posted.
