From the Director of Public Instruction, Madras, No.2132,
dated 2nd March 1898:-

With reference to G.O.No.400 Educational dated 15th July
1897, I have the honour to request that you will be good
enough to arrange for the transfer to the Consulting Architect
of the plans and estimates for the Victoria Students' Hostel.
He will start the work as soon as sanction is accorded. It
seems highly expedient to begin the work without further
delay as, with the money lodged in the Bank and with the
Government grant, a portion of the work may be done. More
subscriptions can be expected only after the work has been
earnestly begun and some progress actually made.

ORDER :- No.267, dated 22nd April 1898.

The construction of the building may now be proceeded
with.
