Account.

Read—the following papers:—

No. 184.

Application to the Superintending Engineer, IV Circle, for a Re-appropriation of Budget Grants.

Proposed new grant.

Departmental and service head.	Item No. of Budget.	Works.	Amount of estimate.	Outlay to end of previous year.	Original grant for current year.	Existing grant for current year.	Proposed increase.	Grant as now proposed.
			RS.	RS.			RS.	RS.
Irrigation and Navigation—Works for which Capital and Revenue Accounts not kept, Original Works, Major.	1	Excavating a trial trench for the proposed Bhaváni reservoir dam. Note.—The work is almost completed.	34,000	21,361	..	..	12,639	12,639

Forwarded to the Superintending Engineer, IV Circle, for sanction if approved.

(Signed) A. A. G. MALET,
Executive Engineer.

12th January 1898.

No. 12/I.

Copy submitted to the Chief Engineer for Irrigation for favour of sanction.

(Signed) A. H. GARRETT,
Supg. Engineer, IV Circle.

18th January 1898.

From W. C. DeMorgan, Esq., m.i.c.e., Executive Engineer in Charge, I Circle, to the Chief Engineer for Irrigation, dated Dowlaishweram, 14th January 1898, No. 1845 G.D.

Referring to G.O., No. 3283 W. of 24th November 1897, I have the honour to inform you that the Executive Engineer, Gódávari Central division, surrenders Rs. 5,000 out of his grant under 43. Minor works and Navigation—Works for which neither Capital nor Revenue accounts are kept, Agricultural works—Repairs, and to request that the same may be withdrawn and credited to reserve.

From A. Joyce, Esq., Executive Engineer, Madura division, to the Superintending Engineer, VI Circle, dated 5th January 1898, No. 588 S.E.

With reference to your endorsement, No. 1834 M.D., dated 11th December 1897, and this office No. 575 S.E., dated 18th idem, I have the honour to inform you that the Chief Engineer for Irrigation having declined to effect the transfer on account of demands for additional funds to other divisions, that officer may now be informed that a further sum of Rs. 5,000 from Tank Restoration Scheme is available for transfer to "Provincial Civil works." The necessity for the transfer has already been explained in this office No. 480 S.E., dated 13th November 1897, and I have to add that, as the liabilities already incurred on Tirumal Naick's Palace and District Jail have to be cleared soon, the balance of petty repairs to the District Jail, estimate Rs. 1,710, Register No. 11 of 1897–98, had to be completed with reference to His Excellency the Governor's remarks in the Jail Visitors' book, the balance of existing grant under "Provincial Civil Buildings—Repairs" is quite inadequate to meet expenditure on maintenance estimates and demolishing cornice in Tirumal Naick's Palace; hence the transfer may be kindly recommended for immediate orders:—

From 43. Irrigation.		*To* Provincial Civil Buildings.	
	RS.		RS.
Tank Restoration Scheme	5,000	Minor Original	3,000
		Do. Repairs	2,000

2. The existing allotment under the above latter two heads and outlay to end of November 1897 is as shown below:—

	Grant.	Outlay to end of November 1897.
		RS.
Minor Original	1,000	3,805
Repairs	5,000	4,920

3. The outlay during November 1897 under the above heads is on the demolition of cornice in Tirumal Naick's Palace, Madura, and on payment of bills from firms for the purchase of corrugated iron sheets and paint to police station at Kodaikánal which were unavoidable.

4. Orders solicited to pay off liabilities on Tirumal Naick's Palace and District Jail.

No. 41 M.D.

Copy submitted to the Chief Engineer, Public Works Department, in supersession of this office No. 1731 M.D., dated 25th November 1897, and with a request that, if funds are not otherwise available, sanction of Government may be obtained to the transfer of Rs. 5,000 from the grant under 43. Irrigation, Tank Restoration Scheme—Repairs, to Provincial Civil Buildings, viz., Rs. 3,000 for Minor works and Rs. 2,000 for repairs, as proposed by the Executive Engineer.

(Signed) O. V. BODDY, Lt.-Col., R.E.,
Suptg. Engineer, VI Circle.

20th January 1898.

No. 42 M.D.

Copies submitted to the Chief Engineer for Irrigation for information, with reference to his memo., No. VI/126 M.D., dated 6th December 1897.

(Signed) O. V. BODDY, Lt.-Col., R.E.,
Suptg. Engineer, VI Circle.

20th January 1898.

No. 37 I.

Submitted to Government.

2. The transfer proposed by the Superintending Engineer, VI Circle, of Rs. 5,000 from the existing grant for Tank Restoration works, Madura division, to "45. Provincial Civil works" is not approved, as additional funds are urgently wanted at present for irrigation works in other divisions.

3. The allotment of Rs. 12,639 applied for by the Superintending Engineer, IV Circle, for the work, "excavating a trial trench for the proposed Bhavání reservoir dam" sanctioned in G.O., No. 1060 I., dated 29th November 1897, and which is almost completed, may be sanctioned from the surrenders made by the Superintending Engineers, I and VI Circles, the balance of Rs. 2,639 still to be provided being appropriated from the existing grant of Rs. 59,012 for "Tank Restoration repairs," Chingleput division, against which the expenditure incurred up to the end of December 1897 was Rs. 8,741 below the average.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

31st January 1898.

ORDER—No. 115 I., dated 10th February 1898.

NOTES.

Reference to P. W. D. Code.

Chapter XV, section vi, para. 199.

CHIEF ENGINEER FOR IRRIGATION. 8 1 JAN 1898

1 C. J.

1. This form should be used by the Executive Engineer or the local Government in any of the following cases:—
   (*a*).—When a grant, or an addition to an existing grant, is required for carrying on a sanctioned major work.
   (*b*).—When a grant for a work is found to be in excess of requirements, and it is proposed to resign it, either wholly or in part.
   (*c*).—When it is proposed to utilize the grant for one work upon some other.
2. Either of the columns for "Proposed new grant" or for "Proposed reduction," or both, may be used as required.
3. If it happens that the grant already allowed has been reduced, the entry in the column "Existing grant for the current year" would of course be the amount less such reduction.
4. In the case of Irrigation works, the entries in the column "Departmental and service head" should show distinctly whether the proposed re-appropriation is debitable to Capital or Revenue, and the entries in the column "Works" should be so arranged as to show the project to the Capital or Revenue account of which the charge is debitable, and the class of service to which the charge is debitable, thus:—

________________ PROJECT.

(1).—Head works—
   (*B*). Land.
   (*K*). Buildings.

In cases of Productive public works, the fact of their being so should be noted against the entries.

5. It being of the utmost importance that early intimation of possible lapses, or of excesses, in outlay on works should be communicated to the Government, a close watch should be maintained on the progress of all works, and this form employed the moment the facts are sufficiently known.
6. Applications for re-appropriations which require the sanction of the Government of India should be submitted by the local Government in duplicate; applications by Executive Engineers should be submitted through the Superintending Engineers of their Circles.

EXPLANATION OF NECESSITY FOR RE-APPROPRIATION.

From A. Joyce Esquire, Executive Engineer, Madura Dn, to the Supdg. Engineer, VI Circle, No: 588 S.E. dated 5th January 1898:—

With reference to your Endorsement No: 1834 M.D. d/11 December/97 & this office No: 575 S.E. dated 18th idem I have the honor to inform you that the Chief Engineer for Irrigation having declined to effect the transfer on account of demands for additional funds to other Divisions, that officer may now be informed that a further sum of Rs 5,000 from T. R. S. is available for transfer to "Provincial Civil Works". The necessity for the transfer has already been explained in this office No: 480 S.E. d/13th November 1897 and I have to add that as the liabilities already incurred on Tirumal Naick's Palace & District Jail have to be cleared soon, the balance of petty repairs to the District Jail estimate Rs 1,710. Regr. No: $\frac{11}{97-98}$ had to be completed with reference to His Excellency the Governor's remarks in the Jail Visitor's book, the balance of existing grant under "Provincial Civil Buildings

Repairs" is quite inadequate to meet expenditure on Maintenance Estimates and demolishing Cornice in Tirumal Naick's Palace; hence the transfer may be kindly recommended for immediate orders —

From

43. Irrigation. T.R.S. Rs 5,000

To

Provincial Civil Buildings —

Minor Original Rs 3,000

Do – Repairs " 2,000

2. The existing allotment under the above latter two heads and outlay to end of November 1897 is as shown below:—

	Grant.	Outlay to end of November 1897.
Minor Original	Rs 1,000 —	3,805
Repairs	" 5,000 —	4,920

3. The outlay during November /97 under the above heads is on the demolition of Cornice in Tirumal Naick's Palace, Madura, and on payment of bills from firms for the purchase of Corrugated iron sheets and paint to Police Station at Kodaikanal which were unavoidable.

4. Orders solicited to pay off liabilities on Tirumal Naick's Palace and District Jail.

No: 41 Md. d/ 20 January 1898.

Copy submitted to the Chief Engineer, P.W.D., in supersession of this office No: 1731 Md. d/ 25 November 1897, and with a request that, if funds are not otherwise available, sanction of Government may be obtained to the transfer of Rs 5,000 from the grant under 43. Irrigation T.R.S, Repairs, to Provincial Civil Buildings, Viz Rs 3000 for Minor Works & Rs 2000 for Repairs, as proposed by the Executive Engineer.
