The petitioner, A. V. Parasurama Aiyar, will be regarded as having returned from privilege leave to duty in another appointment, and he will therefore be granted privilege leave allowance up to the date he joined his post as Delta Super in the Godavari District. He was granted two months privilege leave from the 2^d August 1895, and entered on the duties of his new appointment on the 9th Oct^r 1895, but as he had three months privilege leave to credit on the former date,

Spinn 14/10

his leave will be extended
from the 2^d to 8th Oct^r
1895.

2. His claim to travelling
allowance is inadmissible,
as already decided in
para 2 of G.O. No 19274
dated 16th July 1897.

Cir

Note - The petitioner
was a temporary overseer
in the Tank Restoration
Party at Madura, &
obtained two months
privilege leave from 2.2.95.
While on leave, he applied
for & obtained the post
of Delta Supt. in the
Godavari district. He
was paid up to 3^d Sept.
by the Tank Party, but
he claims full pay up
to the time (9th Oct^r) he
joined his app't. in the
Godavari District, and
travelling allowance for
the journey from Madura
to Godavari. He received

no pay from the 2^d Sept
to 9th Oct^r as it was
considered that he was
joining a new app't.
The Examiner now states
that if it be held
that he returned to
duty in another app't.
Art. 296. C. S. Regn
must not be made
applicable, and that
he may be granted
pay to the end of the
period of his privilege
leave (1st Oct^r). There
would then be a
break between the
1st & 9th Oct^r, but
as he had three
months privilege
leave to credit on
2^d Oct^r August 1895,
his leave might be
extended from 2^d to
9th Oct^r. This concession
might be granted
to him, as he actually

reported himself ^{to} the
Executive Engineer Jodavari
Eastern division on
the 28th Sept., but
there were difficulties
in the way of relieving
his predecessor, so
that the post was not
finally handed over
to the petitioner until
the 9th Oct. He also
deserves consideration
on the score of the
difficulties and
hardships encountered
by him in his journey
through the Victoria Dist.
in a time of floods
and ~~low~~ breaches

His appointment
as Delta Supt. was
made at his own
request, and his
move from Madras
to Jodavari was not
therefore for the

public convenience. His
claim to travelling allowance
is inadmissible under
Art. 1203 C.S. Regs.

sheweth

(1)

Shoneth That with reference to the orders passed in G.O. No. 1927 W. dated 16-7-97 the petitioner once more begs leave to put forward his explanations with the addition of an alternative prayer.

(2)

In reply to para I of the Government Order the petitioner begs to state that while a temporary Engineer in No. I Party S. R. S. he was granted in Chief Engineer's memo no. 792T dated 10-7-95 privilege leave for two months from 2nd August 1896. The petitioner enjoyed one month's leave, just then the Superintending Engineer 1st Circle wrote to the petitioner's immediate superior the officer in charge of No. I Party S. R. S. that the petitioner's services were urgently required in Godavery Division and the order was communicated to the petitioner with instructions to start immediately.

(3)

Accordingly the petitioner started to join his new appointment on the 3rd September 1895 i.e. after enjoying only one month and two days out of the two months privilege leave.

(4)

Thus the petitioner was paid privilege leave allowance for one month & two days only from 2nd August to 3rd September 1895 and was granted the usual Last Pay Certificate under the presumption that the petitioner will get the pay and travelling allowance of his new appointment from the date of relief. As already explained the petitioner having received no payment in any capacity till 9th October 1895 the petitioner now requests that the allowances of the unexpired portion of the privilege leave which lasts till 2nd October 1895 may now be given him under article 223 of the Civil Service Regulations.

(5)

The petitioner further begs to state that he actually joined his new appointment on the 28th September 1895 i.e. that is by reporting himself to the Executive Engineer Godavery Eastern Division as per Superintending Engineers orders, then the petitioner as per Engineer's order went to Kapilashwar and took over charge of the Delta Superintendent's place on the 2nd October; but the relieved officer delayed till the 9th October from the forenoon of which date the petitioner received over charge finally.

the petition was paid only from the 7th October instead of from the 2nd October 1895 and he therefore prays that he be paid from 2nd October as per para 83 chapter IV volume 1 of the P.W. Code.

(6) Lastly the petitioner with due humility bring to the notice of Government Article 460.6 of the civil service regulations which runs thus:—

"Resignation of an appointment to take up another appointment, Service in which count, is not held to be a resignation of the Public Service".

(7) With reference to para 2 of the above quoted order of Government. petitioner begs to say that he claims travelling allowance under article 491 a of the Civil Service Regulation as it has been settled in Para 4 of Government order no. 890. Educational dated 5-12-93. embodied in Government order no. 322 W. dated 12-12-93. the provisions whereof has been reaffirmed in Government order no. 66 W dated 12-1-95 viz that men with technical Educational qualifications should be appointed as Delta & channel Superintendents.

(8) If the petition is not considered to be going out of the way he would if so directed specify cases in which some of the men appointed as channel Superintendents

322 W

in certain Divisions were allowed the travelling allowance for joining their appointment although their cases were similar to that of the petitioner.

(9)

In Conclusion the petitioner earnestly and respectfully pray that in consideration of the loss of pay & the enormous expenditure & hardship to which the petitioner was subjected by his transfer from the T. B. S. party at Madura to Godavery District. His Excellency the Governor in Council will be pleased to grant either the pay and travelling allowance for the journey from Madura to Godavery under Article 1191 A. of the Civil Service Regulations or the privilege allowance due to him from 4th September to 2nd October 95. as temporary Overseer under Article 223 of the Civil Service Regulations as the petitioner was recalled from privilege leave and relieved from doing as temporary of officers only in the interests of Government together with the Travelling Allowance from Madura to Godavery District.

Endorsement thereon by the Chief Engr. for Irrigation No. 4 of 17 May 1897
Office note from the Examiner P. W. Accounts

No. 2112 of 2 dates 2nd July 1897.

Order thereon No. 1927 W of 16 July 1897

Petitioner is informed that as he held no permanent appointment under Government at the time of his appointment, as Delta Superintendent, he has no claim to pay during joining time under article 208 Civil Service Regulations.

2. As regards his claim to travelling allowance, the Chief Engineer for Irrigation has already decided that the acceptance of the Delta Superintendent's post was not a case of transfer. The appointment was made at petitioner's own request, and he is not therefore entitled to travelling allowance under article 1203 Civil Service Regulations. Nor has he any title to the allowance under article 1191 Civil Service Regulations.

Para 4 of petition.

If the case is held to be one of transfer, although at the petitioner's own request, he may be considered to have returned to duty in another appointment - (C. S. R. 296) therefore does not apply.

He would thus have exceeded his prime-
-age leave by one week (2nd to 8th
October 1895) for which he can
draw no allowances (C. S. R 261)

If this view of the case is
accepted, Primitive lease allowances
from 1st September to 1st October 1895
may be admitted as a special
case.

Case, provided there was no additional expense to the State (C. S. R 273(a))

There is no question of Travelling Allowance as this is inadmissible for reasons already given in my office letter No: 2112.D. dated 2nd July 1897 para 2. * 1927 W 164-97.
