Havelock Road -
Orta Camund

FOR ORDERS.

Since my arrival at Orta Camund I have been over the proposed line of this road, and have directed the Supergraders to make estimates for

- (1) Commencing from near 'Oak End' within a short distance of Govt Gardens entrance gate, passing east & north of Cinchona Villa joining Snowden Road at entrance to Sheddens Villa thence up through ~~the~~ H. J. O'Brien's property to his private road - & onwards to Randal via Sheddens Lodge. Lone Lane, Meshimund

Lane, Granby Forest &c.
in the line selected some
time ago, which cannot,
I think, be improved

upon -
(2) Starting from the same
point, but instead of
circling round Cinchona
villia, strike across the
valley, eastwards, and
run up the hill to the N.W.
of Fort Horse ponds, to be
near Snowden Reservoir;
thence down Snowden Road
to entrance to Fox Hill,
up Snowden Lane & through
Mr. Hapthorn's property to
the upper part of Mr. Laid
H. Ash's property, & thence
follow a line of road
already partly made
until the trace of No 1
is reached a little
beyond Sheddin Lodge.

2. The estimate No (1) is
practically ready. The
estimate No (2) will
probably take a month

to be paid -
meanwhile work for the
Pioneers on the Lake Reclam-
-ation is coming to an end,
and I am anxious to
employ them on the Haselbeck

General Commanding the Force
inform me that, in the
interests of ~~the~~ its military
efficiency, the Rep. should
certainly be back in
Trichinopoly by Oct 1st.
so we cannot afford to
lose him.

3. I therefore beg for
permission to employ
the Pioneers at once
on the Haselbeck Road,
commencing from the

Permission should, I think, be given.

Rand al end, where the
alignment is settled,
in anticipation of the
sanctions to the estimate.
Which cannot, as stated
above, be ready for sanction
for another month -

u. The amount of the
estimate I have seen
is Rs 50,000, of which
about half is for con-
-pensations for land.
What the amount of the
estimate, finally approved
a sanctioned will be
I cannot say, but it
is, I think, very unlikely
to exceed Rs 70,000.
If we wait for it we
lose a good month for
work, we lose a month
of the Division's services,
& half of them will be
idling with nothing
to do.

OFFICE NOTE.

From
The Secretary to Government,
Public Works Department

To
The Secretary to Government,
Revenue Department

With reference to the
accompanying draft order re-
garding the immediate commence-
ment of the Havelock road,
which kindly counterinitial,
will you please send the requisite
demi-official instructions to
the District Forest officer,
Cotacamund, to allow the
Executive Engineer to cut the
road through the Government
Forest Reserve and waste. It
will be seen from the attached
S/O from the Executive Engineer
that a demi-official instruction
of this kind is all that is
required.

My dear Mr Winton.

u. Have Lock Road.

I have sent in
proposals to the III Pioneers
• if they accept them &
Gannett approves them
I shall begin on Saturday
or Friday perhaps. The
Government was to land

is only a small quantity,
but there is a large amount
of Forest Reserve to go through
(The Aramby Forest Reserve)
& it is plain sailing. I
have been to Douglas
the Dist.^t Forest Officer
who of course says he
cannot give permission
without some authority,
& he suggests that you
should obtain a de-mi-

Official note from Arundel,
stating that the road ^{is}
to be, & that the Dist.^t
Officer may make arrange-
ments with me in antici-
pation of formal sanction,
& that then I can enter on
the land at once. Would
you kindly do this.

Yrs sincerely,
