Calcutta, the 17th February 1898.

Sir,

I am directed to acknowledge the receipt of your letter No.131 W dated the 18th January 1898 in which the Government of Madras recommend the grant of a deputation allowance of one fifth salary to the Upper Subordinates of the Light House Division not exceeding four in number.

2. In reply I am directed to request that as the case in question is not one in which a deputation allowance can be granted under Article 94 of the Civil Service Regulations, it may be clearly stated for the information of the Government of India what local allowances these subordinates are now drawing and what increased allowance of the same description in lieu of such allowance it is now desired to recommend. A statement should also be submitted shewing the probable expenditure involved in the grant of the allowance for a period of one year, which is the period for which the appointment of Mr. Ashpitel as Superintendent of Works of the special Light House Division has been sanctioned in Public Works Department No. 2336 G dated the
