THE Chief Engineer, P. M. D.

SIR,

Enclosures

In the preliminary issue of the Provincial Civil Works Budget for 1898-99, item 133. A. Works. Compound wall for the Sub-Registrar's Office Porto Novo, an allotment of Rs 1640 is given.

In his letter no: 1603 d/22-3-98, the Inspector General of Registration has asked that this work be postponed. I have therefore the honour to request that the amount of Rs 1640 be transferred to Repairs Civil Buildings, Negapatam, where it is urgently required.

Mr. Laddell's bungalow at Kadambadu, Negapatam having been under C. C. no: 3528 d/8-12-96, recently handed over to the P. M. D.

P. W. D. for use as a rest house, is in urgent need of repair.

This bungalow was left to Government by the late Mr. ^{Morris.} ~~Luttedell~~ on the condition that it should be kept for use as a traveller's bungalow. Government handed it over to a native gentleman under the same conditions, which were not kept as the bungalow was rented out to private individuals.

As the Regapatam Municipality will not maintain a public bungalow the house was handed over to the P. W. D. the amount to be expended on the building is about Rs 1800/- Estimate has been received from the Executive Engineer but has been sent back for revision. If this transfer cannot be made, I request that Rs 1800 may be given to Regapatam Division under repairs from the reserve.

I have the honour to be

Sir,

Your Most Obedt. Servant.
