Note for His Excellency the Governor

Mr. W. C. De Morgan,
Executive Engineer, 1st grade,
now in Charge of the I Circle,
has not yet been invested
with the enhanced powers
of sanction exercised by
all other Superintending
Engineers, and the consequence
is that delay and inconvenience
are experienced in the
administration of the Circle,
and estimates come up
to the offices of both
Chief Engineers, which are
elsewhere sanctioned locally
conferring the requisite powers.
A draft order for
approval is submitted

Accordingly, for approval
of the Honble Mr. May
has been submitted to him
