FEBRUARY.

Contribution Work

Sanction accorded to the execution, by the Public Works Department, of the — of constructing a weir to Tenambakkam tank in the Chingleput division.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

Read—the following papers:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 29th November 1897, No. 1005 A./A.

With reference to G.O., No. 966 I., dated 29th October 1897, sanctioning the recovery, in five equal annual instalments, of the sum of Rs. 1,394 due by the shrotriemdars, on account of the repairs to Tenambakkam Hissa tank, I beg to point out that a completion report for Rs. 771-15-3 has already been received on the 29th September 1897 for the work of filling in hollows and repairing revetments, estimate of Rs. 840, and it does not appear necessary that this outlay need be disturbed at present. I would therefore suggest that the expenditure (when incurred) on the second of the two estimates referred to in clause 2 of the note by the Chief Engineer for Irrigation printed with the above Government order, and the extent of the amount payable by the shrotriemdars, viz., Rs. 1,394 inclusive of percentage charges on account of establishment and tools and plant, be treated as contribution against the estimate of Rs. 1,800 instead of both estimates. If you acquiesce in this view, I beg that you will issue instructions accordingly.

2. I presume the interest ordered to be charged to the shrotriemdars will, when realized in the Civil Department, be credited to this department, since the Public Works Department will advance the amount required for the work and await its adjustment.

No. V./59 C.N.

Copy forwarded to the Superintending Engineer, V Circle, in continuation of this office memo., No. 57 C.N., dated 24th November 1897.

2. The undersigned sees no objection to the proposal made in paragraph 1 of the Examiner's note. The Superintending Engineer is requested to be so good as to ascertain from the Collector and report whether the interest referred to will be credited to this department.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

3rd December 1897.

From Colonel C. C. RAWSON, R.E., Superintending Engineer, V Circle, to the Chief Engineer for Irrigation, dated Chepâk, 29th January 1898, No. 19 E.I.

Adverting to the concluding portion of your memo., No. V./57 C.N., dated 24th November 1897, I have the honour to request that sanction of Government may be obtained under paragraph 79, chapter IX, Volume I of the Code, for the execution, by this department, of the work of constructing a weir to Tenambakkam tank, in Conjeeveram taluk, Chingleput division.

2. In regard to paragraph 2 of your endorsement, No. V./59 C.N., dated 3rd December 1897, I have to state that the Collector of Chingleput informs me that the interest referred to therein will, when realized, be credited to this department.

No. 40 I.

Note by the Chief Engineer for Irrigation.

In G.O., No. 966 I., dated 29th October 1897, sanction was accorded to the payment in five equal instalments of the contribution due by the shrotriemdars concerned for filling in hollows, repairing revetments, etc., and constructing a weir in Tenambakkam tank, Chingleput division. The repair work having already been completed, the Superintending Engineer, V Circle, in accordance with the suggestion of the Examiner of Public Works Accounts, now requests the sanction of Government to the execution by the Public Works Department of the work of constructing the weir.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

5th February 1898.

Order—No. 126 I., dated 14th February 1898.

The execution, by the Public Works Department, of the work referred to is sanctioned.
