Referring to the indents forwarded with your letter No.809 W. dated 24th March 1898, for very early compliance for stores for the Tirupati Waterworks, I have the honour to observe that a schedule and specification are referred to in the indent as accompanying it, but they were not attached thereto.

In view of the urgency of the demand a telegram was despatched to His Excellency the Governor of Madras on 16th April, asking for the schedule and specification, but these documents have since been received, and steps are now being taken for the early supply of the stores.

Your obedient Servant,
