District Munsif's Court-house at Chittoor

Estimate of Rs. 12,400 for constructing a — in the North Arcot district, sanctioned.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From J. T. GILLESPIE, Esq., Acting Deputy Registrar of the High Court of Judicature, Appellate Side, Madras, to the Chief Secretary to Government, dated 4th May 1897, Ref. on No. 5491 of 1896.

With reference to the Proceedings of the Government, dated 18th November 1896, R. No. 1932, I am directed to forward a copy of letter No. 398, dated 28th April 1897, from the District Judge, North Arcot, together with its enclosures regarding the construction of a District Munsif's Court-house at Chittoor, and to state that the High Court supports the recommendation of the District Judge as to the site.

2. The site now selected by the Superintending Engineer appears to have been chosen without reference to the District Judge and in ignorance of the fact that the District Judge and the former Executive Engineer had already selected the other site.

Enclosure.

From E. J. SEWELL, Esq., District Judge, North Arcot, to the Registrar of the High Court, Madras, dated 28th April 1897, No 398.

As requested in Ref. on Cur. No. 5491/96, dated 5th April 1897, I have the honour to forward the site-plan and estimate for constructing a District Munsif's Court-house at Chittoor.

2. The former Executive Engineer Mr. H. E. Clerk and I fixed on a site south of the present district court-house. I only learnt by accident from a casual mention of the matter by the present Executive Engineer that the site had been changed and that an estimate and plan had been prepared. As I learned that it was proposed to build the new District Munsif's Court with its back to the high road and between the road and the front entrance of the district court house, I asked the Superintending Engineer why the site had been altered. He stated that he was not aware that the site had been fixed elsewhere.
The fact, however, stands entered in red-ink at the foot of the site-plan sent by him.

3. As requested by the Superintending Engineer, I have marked in the plan in pencil the site I propose. At that site, the court faces the right way to the high road and does not cut off the view of the district court from the road or block the current of air through the court.

4. The South Indian Railway wire-fencing is a mere open fence, and there is nothing at all between the aloe fence some 50 feet off and the proposed site, so that I do not think it any objection that the proposed site comes near the fence.

5. It appears that a revised type-design for District Munsifs' Courts has been sanctioned (in G.O., No. 179 W., dated 17th January 1896). As there were many practical objections to the old type-design and I had never seen the new one, I asked the Superintending Engineer to let me see it and have been making inquiries as to its suitability. The design appears to me to be, in several respects, faulty. I do not know if it has received the approval of the High Court.

6. I have sent the site-plan and estimate as requested, though I do not know that the Superintending Engineer has finally approved them.

No. 1095, Judicial.

Subject to the remarks in Judicial Department endorsement No. 1925, dated 23rd September 1896, the estimate is approved and will be transferred to the Public Works Department for execution when funds are available.

2. Attention is invited to the recommendation of the District Judge and the High Court regarding the site.

(Signed) W. FRANCIS,
Ag. Under Secretary.

21st May 1897.

No. 1446 C.

Forwarded to the Superintending Engineer, IV Circle, with the request that he will revise the estimate in accordance with the type-design and schedule issued with G.O., No. 748 W., dated 15th March 1897, and return the same at an early date. Attention is drawn to the remarks regarding the site. The countersignature of the District Judge to the revised estimate should be obtained.

2. The return of these papers is requested.

(Signed) S. B. MURRAY,
Ag. Dy. Chief Engineer.

9th March 1898.

No. 133-N.A.

Forwarded to the Executive Engineer, North Arcot division, for very early compliance.

(Signed) A. H. GARRETT,
Superintending Engineer, IV Circle.

13th March 1898.

From A. H. GARRETT, Esq., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Camp, Ootacamund, 12th April 1898, No. 209 W.

In returning herewith your endorsement No. 1446 C., dated 9th March 1898, with its enclosures, I have the honour to submit for sanction of Government a fresh estimate amounting to Rs. 12,400 duly countersigned by the District Judge for constructing a District Munsif's Court-house at Chittoor.

Order—No. 1281 W., dated 19th May 1898.

The estimate amounting to Rs. 12,400, as revised by the Superintending Engineer, for constructing a District Munsif's Court-house at Chittoor, in the North Arcot district, is sanctioned.

2. This sanction has been registered as Provincial No. 12 W. of 1898–99 and classified as Civil Buildings, Original Works.

The plinth area of the main building is 5411 square feet, and the cost per square foot will be Rs. 2-4-8

The ~~plans and~~ estimates have been countersigned by the District Judge.

~~and~~

REMARKS.

An Estimate was called for in G.O. No 2376 W dated 25th September 1895 for constructing a District Munsiff's Court at Chittoor, North Arcot District, and forwarded by the Judicial Dept. in April 1897.

The Chief Engineer in his No. 1446 C dated 9-3-98 returned the Estimate to the Supg. Engineer IV Circle with the request in accordance with the type design and Schedule issued with G.O. No. 748 W dated 15th March 1897.

The Supg. Engineer IV Circle with his letter No. 299 W dated 12th April 1898 to the Chief Engineer forwards for sanction of Govt. a revised Estimate amounting to Rs. 12,400.

The site on which the building is proposed to be constructed is that selected by the late District Judge, and is on Govt. Land.

As the proposed building is to be built in the compound of the District Court House which has all the necessary out houses, a separate latrine for the Munsiff's Court has not been estimated for.

From
E. J. Sewell Esquire,
District Judge,
North Arcot.

To
D. W. G. Cowie Esquire,
Registrar of the High Court,
Madras.

Sir,

As requested in Ref. on Cur: No. 5491/96, dated April 5th, 1897, I have the honour to forward the site plan and estimate for constructing a District Munsiff's Court-house at Chittoor.

2. The former Executive Engineer Mr. H. E. Clerk and I fixed on a site South of the present District Court-house, I only learnt by accident from a casual mention of the matter by the present Executive Engineer that the site had been changed and that an estimate and plan had been prepared. As I learned that it was proposed to build the new District Munsiff's Court with its back to the high road and between the road and the front entrance of the District Court-house, I asked the Superintending Engineer why the site had been altered. He stated that he was not aware that the site had been fixed

Enclo: No 1 to letter No 209/65

fixed elsewhere.

The fact, however, stands entered in red ink at the foot of the site-plan sent by him.

3. As requested by the Superintending Engineer, I have marked in the plan in pencil the site I propose. At that site, the Court faces the right way to the high road and does not cut off the view of the District Court from the road or block the current of air through the Court.

4. The S. I. R. wire fencing is a mere open fence and there is nothing at all between the aloe fence some 50 feet off and the proposed site, so that I do not think it any objection that the proposed site comes near the fence.

5. It appears that a revised type design for District Munsiffs' Courts has been sanctioned (in G. O. 179 W, dated January 17th 1896). As there were many practical objections to the old type-design and I had never seen the new one, I asked the Superintending Engineer to let me see it and have been making inquiries as to its suitability. The design appears to me to be, in several respects, faulty. I do not know if it has received the approval of the High Court.

/ in G. O. 550/21-3-96 Jl

6. I have sent the site-plan and estimate as requested, though I do not know that the Superintending Engineer has finally approved them.

I have &c,
(Signed) E. J. Sewell,
District Judge.
