ORDER

To

The Consgr. Architect to Govt.

,, Examiner, P. W. Accts.

To

Sir,

to the grant of a local allowance of
Rs. 2 per mensem to the permanent peons
of the P.W. Department stationed at
Kodaikanal on the Palni Hills. The
Observatory buildings are now in
course of construction there and a
Public Works Sub-Division has been
formed in connection with the work.

The expense of living is, as the Go-
vernment of India are doubtless aware,

very high ~~above the~~ ^{the} ~~peons~~ and the

proposed allowance to these low paid

peons in the 6.
~~men~~ thus seems necessary. An allowance

of Rs. 3 per mensem was granted in

your letter No. 2618 G., dated 23rd

September 1895 under somewhat analogous

circumstances to the P.W.D. peons

stationed in the Wynad.

To
The Chief Engineer
Public Works Department

Sir,

I have the honour to request that under G. S. R. 1168 (c) you will be good enough to obtain sanction, to daily allowance at arms two per diem being passed to inferior servants accompanying me to Kotsaikaneb and to Masuroo.

2. I also request sanction with re-
spective effect from 10th January 1898 to
a local allowance of Rupees two being
passed to persons of the Kodarkanal Sub-
Division under G. O. No. 1501 of dated 2 June
1897, as it is a costly place.

I have the honor to be,

No necessity for this
proviso. There seems no
reason for cutting down the
peons allowance when the
Cm Auditor is an Executive
Engineer.

Note for His Excellency the Governor:-

This is an application for (1) a daily allowance of 2 annas to the peons who accompany the Consulting Architect on his inspections to Kodai kanal and Madura, and (2) a local allowance of Rs. 2 to the Public Works peons stationed at Kodaikanal.

(1) is admissible under article 1168

(c) C. S. R. It is recommended that the sanction be made general under this article, the Consulting Architect being an inspecting officer, and liable to travel on duty to the other parts of the Presidency besides those named.

(2) will require the sanction of the Government of India and may be applied for on the ground of the expense of living on the Hills. The correspondence ending with G. O. 2454 W., dated 23rd September 1895 affords a precedent.

The peons are working under the Arch. Supt. who is building the observatory. A draft disposal accordingly is submitted for approval.

For orders.

(1) As regards para 1 of C's official order, there seems to be nothing in Ord. 1168 (c) C.S.R. to prevent the Com. Architect, from getting the daily allowance of 2 annas when travelling beyond a single district, whether the C.A. is a Superintending Engineer or not. He is an "Inspecting officer".

(2) The local allowance of Rs. 2, if approved, will require the sanction of the Govt. of India.

(1) No. 1168 (c) C.S.R. is not affecting the local allowance.

(2) approved - all for
