Ganjam Collector's Office
Dated Bhubaneswar 10th January 1898

From

H. D. Taylor Esquire
Selling Collector of Ganjam

To

The Secretary to the
Commissioners of Land Revenue
Madras.

Sir,

I have the honor to state that the District Board's office, the two Local Fund accountants and the Local and Special Fund ^{audit} Branches are now accommodated in a small building opposite to the Huzar Treasury room. The southern portion of the building which is much larger than the other is occupied by the District Board's office and the Local Fund accountants, while the northern one is occupied by the audit branches. The latter portion consists of only a small room which is too small to accommodate the Local and Special Fund audit clerks who are 5 in number. There is no separate record room attached to

to the audit office, and the records which consist mostly of vouchers, are now kept in a small wing room which is too small to admit of proper and systematic arrangement. It is therefore proposed to extend the room now occupied by the District Board's office to the south and to shift the District Board's office to the new room and to give the old room occupied by the District Board's office to the Local and Special Fund audit clerks.

2. The Local Fund Engineer estimates the cost of the proposed extension at Rs 1350. The plan and estimate submitted by him are enclosed for Board's information.

3. I have the honor to request that the Board will be pleased to move Government to issue orders in the Public Works Department for the preparation of plan and estimate for the proposed extension.

4. The District Board may be charged
rent

rent for the portion of the building occupied by it. The District Board declines to contribute towards the capital cost of a building which is not entirely the property of the Board.

I have the honor to be,
Sir,

Yours most obedient servant
