Proceedings of the Madras Government

Read again G.O. 1543 of 15th March 1908.

Read also the following letter from the Accountant-General:

1707 dated 21st March 1908:-

With reference to para 2 of G.O. No. 1543 of 15th March 1908, I have the honor to state that section 33 of the Madras Finance Code fixes the responsibility for controlling the Finance Office expenditure on the Member of the Board of Revenue in charge of the department of Land Revenue and Agriculture, subject to the orders of Government. I therefore see no objection to his transferring the approved savings in the Budget Grant under one minor head to meet excess expenditure under another, reporting such transfers for the approval of Government and for my information.

2. I presume that Government will not object to the Budget Grants for works in charge of Public Works Officers. If, however, it is intended to reduce or increase such Grants by appropriations, I would suggest that it may be done in consultation with the Minister of Public Works Accounts, so that I may on the application after the assignment in favour of Executive Engineers. 3. If approved, the necessary additions may be made by Government to the rules for the regulation of Finance Accounts submitted by me.

Order No. 1543 of 15th March 1908.

In the case of transfers relating to grants for works in charge of Public Works Officers, the officer to be consulted is the Chief Engineer, P. W. Dept. not the Minister of Public Works Accounts. Subject to this modification, the Accountant-General's proposals made by the Accountant-General are approved. The necessary additions will be made in the rules for the regulation of Finance Accounts when they are finally issued.
