effect from the 1st March 1898.

Col. Smart now explains that for the two Surveyors, he appointed 6 lascars, also from 1st February, but he omitted to mention this when submitting his statement. The Examiner now requires separate sanction to the appointment of the 6 lascars from 1st Feb, & as the surveyors would not have been effective without their lascars, it is proposed to give the sanction asked for.

Sir,

I have the honour to report that out of 30 extra lascars sanctioned in G.O. N^o 643 W dated 10th March 1898, six were appointed in anticipation of sanction from February 1898 for the use of two Surveyors who were appointed in anticipation of sanction as reported in my N^o 138 dated 2nd February 1898.

As the Examiner has disallowed the pay of the lascars for the above period, I would request you to obtain the sanction of Government for transmission to the Examiner.

I have the honour to be
Sir,

your most obedient servant.
