Desp. 12-5-1898

SIR,

Under G.O. No: 3198W dated 11-11-1889, I have the honour to recommend that Mr. Hancock's power of sanction should be increased from Rs 200 to Rs 500.

There are many small works in the Division and much repair work to buildings. In the latter case the Officers Concerned ask that the work should be taken up at once. Much time would therefore be saved if the Estimate had not to come up to my office.

Increased

be granted increased powers under certain heads.

The S.S.I. circle brings to notice that there are numerous small works in the Vizagapatnam division, & that much time would be saved if Mr. Hancock could sanction such of them as range between Rs 200 & Rs 500.

It is proposed to comply with the recommendation.
