FROM E. A. DENNYS, Esq.,
EXAMINER OF P. W. ACCOUNTS,

To

The Secretary to Government,
Public Works department, Madras.

No. 614 $\frac{A}{B}$ Madras, 18 May 1898.

SIR,

With reference to G.O.No.1225 W dated the 13th. Instant calling upon me to report on the question of furnishing the Board of Revenue, with the actual figures of famine expenditure on the 10th. of each month (i-e, presumably, 10 days after the close of the month to which the expenditure relates), I have the honor to state that, as the accounts of Executive Engineers are only received in this office on the 20th. of the month following that to which they appertain, and then require another month for their detailed audit, it would not be feasible for my office to furnish the Board of Revenue with the figures representing audited actuals until a month and 20 days after the close of the month to which the figures relate, e.g. the actuals for April would only be available about the 20th. June.

I have the honor to be,

Sir,

Your most obedient servant,

E. A. Denny

Examiner, P.W. Accounts, Madras and Coorg.
