LOCAL AND MUNICIPAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper :—

From the Collector of Salem, Ref. No. 1519/B & G., dated 24th November 1897.

With reference to G.O.No.736 M.Mis.,dated 29th March 1897,or-  
dering the publication of a declaration for the acquisition of land  
required for the Jubilee market at Salem, I have the honour to  
state that Proceedings under the Act have been completed and the  
land is being handed over to the Municipal Council.

The Sanitary Board was addressed in December last for a plan and estimate for a market with clock-tower. It intimated in its Proceedings No.5248 dated 12th December 1896, that it had resolved to await the type designs for markets then under consideration and the type design has at last been issued by the Sanitary Board in its Proceedings No.514 S, dated 15th July 1897 received on the 29<sup>th</sup> ultimo.

2. The Chairman Municipal Council requests that either the Executive Engineer, Public Works Department or the District Board Engineer may be instructed to prepare the necessary plan and estimate. The latter being unable to do the work, I wrote to the Executive Engineer if he can undertake the work and he states in his letter No.952/H., dated 22nd instant that under G.O.No.2806 W., dated 7th October 1892 he is precluded from preparing estimates for other departments for original works costing over Rs.500 without the previous sanction of Government. I request therefore that Government may be pleased to instruct the Public Works Department to prepare the plan and estimate at an early date. It will be a great pity if what was begun to celebrate the 50 years' Jubilee of the Queen Empress be not finished at least soon after the 60" year of her reign.

reign.

ORDER No. 2768 M.Mis., dated 11th December 1897.

The Public Works Department is requested to arrange for the preparation of the required plans and estimates for the proposed market.
