Colonel J. L. Wainwright

CHIEF ENGINEER
FOR IRRIGATION
7-FEB 1898

for irrigation
14.8.98

I have the honor to respond to your letter of the 1st inst. in relation to the proposed project of irrigation in the lower Colorado River. The project is of great importance to the people of the Territory and the Government. It is a project of great magnitude and will require a large amount of money to carry out. The project is of great importance to the people of the Territory and the Government. It is a project of great magnitude and will require a large amount of money to carry out.
