ENCL.

From

THE MEDICAL STOREKEEPER TO GOVERNMENT,

MADRAS COMMAND,

To

THE Chief Secretary to Government,
Madras, 24th May 1898.

Not acknowledged.

Reference:—

SIR,

In continuation of this office
No. $\frac{36}{319}$ dated the 29th April 1898, I respectfully
beg to request that the Public Works Department
may be instructed to put in hand at once
the laying on of pipes for the supply of
Red Hills water, the want of which has
considerably retarded manufacture, in
spite of every endeavour to cope with demands,
and I am afraid that if matters remain
as at present it will be found utterly
hopeless to meet the requirements of Hospitals
and other institutions. I would most
respectfully beg leave to point out that

an

adequate water supply is absolutely -
essential to the satisfactory working of the
depot; and in view of the fact that, owing to
the heavy demands for supplies from all quarters, it will not be possible
to continue much longer as we are.

I have the honor to be,
Sir,
Your Most Obedient Servant,

J. M. Matthews.

Surgeon-Major,
Medical Storekeeper to Government.
