READ—the following paper:—

From H. A. STUART, Esq., I.C.S., Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 9th May 1898, No. 1739.

I have the honour to submit, for the sanction of Government, plans and estimates amounting to Rs. 5,670 for improvements to the Police Head-quarter office building at Calicut in the Malabar district.

2. This work was approved of in G.O., No. 1083, Judicial, dated 30th July 1897.

3. The estimate provides for re-building the fallen portion of the building and adding an upper storey to the verandah.

4. The Superintendent of Police proposes that the staircase should be shifted to the verandah and says that this change will not involve any additional expenditure. This can be arranged by the Superintendent and the Executive Engineer at the spot.

5. I request that funds may be provided for this work, as it is extremely urgent. I recently saw the building and I am convinced that delay in repairing it will entail much extra expense.

W. S. S. 3.6.98

This estimate was approved  
of in G. O. No 1083, Judicial,  
dated 30<sup>th</sup> July 1897 and  
called for in G. O. No 2260W  
dated 17<sup>th</sup> August 1897 being  
Superintending Engineer's  
No. 439 dated 24<sup>th</sup> August  
1897, and was prepared in  
accordance with the in-  
structions laid down by the  
Executive Engineer.  
The estimate provides:-  
I. For re-building the cracked  
portion of the building shown

in red ink in plan, and for adding an upper verandah.

II Re-roofing the store rooms with mission tiles on teak wood trusses and re-flooring the verandah with cement tiles.

I. Serious cracks appeared in the portion of the building shown in red ink in the accompanying plan, threatening its collapse, so it is proposed to demolish that portion of the building entirely and re-build it to section shown on plan, adding a front verandah to the upper storey in front of the building as it is exposed to the S. E. Monsoon when wind and rain beat into the rooms.

Soil represented to be of sand and earth  $4\frac{1}{2}'$  deep with gravel below.

Foundations of the new portion of the building will be of concrete in mortar  $4'3" \times 3'6"$  deep (foot below ground level).

Basement. Latent stone in mortar  $2'3" \times 3'6"$  deep.

Walls. Latent stone in mortar  $1\frac{1}{2}'$  to height shown in plan and estimate.

Plastering. Plastering with Anum 2 coats, and washed red.

Flooring. The floor of lower storey to be of mission paving tiles of blue cement laid on a bed of concrete  $4"$  thick & pointed with Portland cement. The upper storey floor to be boarded with boards  $1\frac{1}{2}"$  thick and  $6"$  wide, heading joints resting upon joists below and rebated, of old wood. In verandah wooden floor of Kaimaradu wood.

Roofing. To be of double pitched mission tiles laid on teak rafters and cedar wood plank ceiling  $3\frac{1}{4}" \times 6"$  nailed over rafters.

Doors & Windows. Existing doors & windows, which are in good order, to be used. Four new doors are required in the upper storey which will be of teakwood, brass hinges and rim locks. The circular glazed heads of the existing windows to be utilized for the new doors. Painted 2 coats Charlton Silicate paint.

Roof Linings. Beams, Joists, & Trusses to be of teakwood. Rafters and wall plates to be of Kaimaradu, the old timber being utilized as much as possible.

Wood oiling 2 coats.

Scallings. Correct to standard specification.

Rates. Correct to schedule.

Carriage for materials added as per data list attached.

II. The roof of the Store room is in very bad order composed of rafters on Trusses of an obsolete pattern. A good deal of the woodwork is found to be rotten & tiles broken.

It is proposed to re-roof this room with Mission Tiles on Oakwood Trusses, shown on plan, with  $\frac{3}{4}$ " x 6" Cedar wood plank ceiling.

The roof of the Verandah is in good order.

The asphaltting of the floor of the front Verandah is very much broken up and it is proposed to replace it with Cement

Tiles -

Petty repairs required have been included in Estimate.

The plans & Estimates have been countersigned by the Superintendent and Assist. Inspector General of Police.

The Asst. Inspector General of Police considers the work "extremely urgent" and says that delay in repairing it will entail much extra expense.
