CA. 6/10/11

ok 152 11/8/6.

In reply to Memorandum No.2599,dated 29th November 1897
I have the honour to report that I consider it desirable to
make some provision in the Madras Lunatic Asylum for the
accommodation of European Criminal insanes.

3. The following additional establishment would be required:

4 Native Attendants (2 for day and 2 for night duty) at Rs.15 per mensem each.

The pay of the Native attendants, who would have to be accommodated within the asylum, has been calculated at a somewhat higher rate than that ordinarily obtaining, to enable the Superintendent to secure thoroughly reliable and efficient men of good physique.

4. The above proposals relate to male insanes only. The provision for European female criminal insanes might be on similar lines as indicated in paragraph 3, excepting that the establishment should be proportionately less in view of a smaller number, say 3 , to be provided for.
