From Lieutenant-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Trichinopoly, 3rd February 1898, No. 141 M.D.

Copy of the Special Executive Engineer's letter on the subject, No. 76 S.E., dated 27th August 1897, and copies of its enclosures are enclosed.

2. The Executive Engineer was thereupon called on by this office to submit his defence drawn up in consultation with the Government Pleader, but that officer reported in his No. 110 S.E., dated 29th October 1897, that he had compromised the case, and in this office endorsement No. 1592 M.D., dated 3rd November 1897, the Executive Engineer was informed that the compromise arrived at may be given effect to paying the contractor Rs. 1,451-14-2 in settlement of all claims in full. Copies of these papers are also herewith sent.

The fee claimed by the Pleader is only one-fourth of the regular fees as the suit was compromised. Copy of the Executive Engineer's letter referred to, with copies of its enclosures, is enclosed.

4. Under the circumstances, I have to request that sanction of Government may be obtained to the payment of Rs. 29-1-3 to the Government Pleader, charging the amount to "Provincial establishment—Contingencies."
