(a) vide Memo No. 1992 dt 5.5.98, flagged 'A'

(a) With reference to P.W. Notification No. 44 published in Part I of the Fort Saint George Gazette of the 10th. instant appointing Mr. M. R. Kharegat Assistant Engineer II. grade to hold charge of the Kistna Northern Division in addition to his own duties during the absence on privilege leave, of Captain W. M. Ellis R.E. Executive Engineer III. grade, will you kindly let me know whether Government intend allowing Mr. Kharegat charge allowances at Rs. 85 per mensem, subject to the provisions of article 120 and 123 A of C.S.R., i-e from after the first 30 days he holds charge.

(b) flagged 'C'

2. Mr. Kharegat has not passed the test prescribed in P.W. Code Volume I, Chapter II para 29. Under the orders of the Government of India communicated with G.O. No. 143 W (b) dated 18th. January 1894 (see also P.W.D. Code I.I.61) an Assistant Engineer II. grade is not eligible for temporary promotion to

1525 Executive

Executive Engineer 3rd. grade unless qualified in every way for promotion to the rank of Assistant Engineer Ist. grade. There is nothing, however, in the orders of the Government of India communicated with G.O. No. 230I W (C) dated I6th. September I895 to prevent an Assistant Engineer II. grade placed in actual charge of a division drawing officiating or charge allowance even though he has not passed the prescribed test against an existing vacancy. The case appears to me therefore to be one in which the rules leave it to the discretion of the Local Government to decide.
