* Continued employment is necessary in consequence of numerous Tank Restoration scheme works being in progress and more are expected in Gudiyattam taluk.

Certified that the entries under the head "Present scale" have been duly verified by me.

(Signed) E. A. DENNY,
Examiner, Public Works Accounts, Madras.

Returned with the column "Present scale" duly checked, and with the remark that numbers and dates of some of the Government Orders sanctioning the present establishment as entered in columns 1 and 2 of the statement are incorrect, and have been altered by this office.

The continued employment, during 1898-99, of the establishment required for the IV Circle, as detailed in the statement submitted by the Superintending Engineer with his letter recorded above, is sanctioned.

3. The temporary clerk on Rs. 15 in Salem division is sanctioned provisionally pending proper explanation of the necessity for his employment.

for the same establishment as that sanctioned last year. Besides the Irrigation Conservancy and the manual establishments which must be sanctioned year after year, provision is made for the following hands:-

- 1 clerk on Rs 20 and 1 draftsman on Rs 30 per mensem for the North Arcot division.
- 1 clerk on Rs 25 and 2 peons at Rs 6 each per mensem required under the Assistant Engineer in charge of Tirupathi water works.
- 1 clerk on Rs 15 for the Salem division.

Item (a) is said to be necessary in consequence of numerous Tank Restoration Scheme works being in progress.

Item (b) is necessary until the water works are completed.

In regard to item (c), no reason has been afforded by the S.E., but the clerk is being sanctioned for the last 3 years.

The necessity for this extra hand was admitted in G.O. No 2287 W dated 10th August 1896. The grant for 1898-99 for Y.R.S. works is Rs 50,000. The provision has therefore been allowed provisionally pending explanation.

MADRAS PRESIDENCY.

Part II.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

Tabular Statement to accompany proposals
for changes in establishments.

2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.
