Exempting Delta Superintendents and Lower Subordinates on the permanent establishment from furnishing — for imprests granted to them, up to a limit of Rs. 100.

General.
Account.

READ—the following papers:—

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated 21st April 1898, No. 1198 K.

I have the honour to bring to your notice that Delta Superintendents and Lower Subordinates in this Circle are generally allowed imprests, and the amount of security recovered from them is equal to the imprest allowed.

2. In the Kistna Western division a second-grade Delta Superintendent on a salary of Rs. 55 has been allowed an imprest of Rs. 100, and a security of Rs. 100 recovered from him according to the local custom.

3. The Examiner, Public Works Accounts, now points out that the security should be regulated under your sanction, agreeably to paragraph 10, chapter IV, Volume I, Public Works Code.

4. I am of opinion that there is no necessity for any security being taken from these men for imprests up to, say, Rs. 100.

5. I therefore request that you will be so good as to obtain definite orders of Government on the subject.

Office-note from the Examiner, P.W. Accounts, dated 13th May 1898, No. 1634 B./A.
From the Chief Engineer for Irrigation, dated 1st June 1898.

ORDER—No. 1525 W., dated 18th June 1898.

Delta Superintendents and Lower Subordinates on the permanent establishment will be exempted from furnishing security on account of imprests granted to them, when the imprests do not exceed Rs. 100.

of them clerks (Delta Supts. come under the general term "Lower Subordinates") may be required to furnish security at the option of Govt., when entrusted with the custody of cash.

Delta Supts. are in 3 grades, Rs 70, 55 & 40 per measem - Sub overseers are also in 3 grades, i.e.

1st Rs 50-70
2nd " 35-45
3rd " 25-35

The Examiner suggests that a limit of imprest be fixed for each grade up to which no security be taken, but it is thought that Rs 100 may be fixed as the limit for all grades for the present as the small sum (the whole of which will rarely be in the hands of the imprest holder) is not sufficient to form temptation to a permanent servant. The security for Rs 100 is proposed in order accordingly.

Your O.N.No 2423 C dated 7th Instant

There are three grades of Delta Superintendents viz

Ist grade at Rs 70 per mensem

2nd Do. at Rs 55 per mensem

3rd Do. at Rs 40 per mensem

and I am of opinion that, instead of the Delta Superintendents being granted a general exemption from furnishing security on account of imprests entrusted to them, it would be better if Government fixed a limit of Imprest for each grade up to which no security may be required from them.

I agree with the Hon'ble Engr. that no security is required for imprests, not exceeding Rs 100, given to permanent men - the only contingency which need be considered is that of their death and there can be scarcely any of them whose property would not cover more than the whole amount of the imprest
